### Advertising & prize online hosting

- This year [bluethumb](#) Australia's online art gallery will again be hosting the Mission to Seafarers Art prize, and providing the technology to facilitate prize entry, viewing and sales. [bluethumb](#) was founded in 2009 to support Australia's emerging and established artists by providing the technology (website and apps) for artists to sell their art directly to the nation's art lovers. It is free to join and very easy to use. All prize entrants will require a Bluethumb profile, which can be deleted after the exhibition period should they wish.
