DONATE TODAY

**We all rely on seafarers.
With your help, they can rely on us.**

90% of everything we use; from the coffee we drink and the cars we drive, to the clothes we wear and our mobile phones, reaches us via the sea.

By bringing goods to our shores, seafarers and the shipping industry support the economy of our island nation, so we may stay healthy and thrive.

We will always strive to support the physical and mental well-being of seafarers but we need funding to reach so many more.

Your donation enables us to care for the shipping industry's greatest asset - people.
